

## PRODUCT INFORMATION

### EasyRoof – universal roof-top cover

## HIGHLIGHTS

- 1 GFRP traverse profile
- 2 Translucent high-tech fabric
- 3 Secure guidance
- 4 Optimal seal of the machining chamber
- 5 Modular design
- 6 Optional: Drive system

## PRODUCT DESCRIPTION

Innovation from Bielefeld: EasyRoof is an outcome of several years of experience and market observation.

The requirements are precise! Due to the unique composition and secure guidance the EasyRoof fulfills highest demands of performance from medium- and large-sized gantry machines.

The smooth and even dynamic response will convince you right from the beginning.
